MNEMOSYNE:¹ European Research Area Chair in Digital Cultural Heritage at Cyprus University of Technology

INVITATION FOR EXPRESSION OF INTEREST

The Digital Heritage Research Laboratory (DHRLab) at Cyprus University of Technology has been awarded a 5-year grant under the EU Horizon 2020 Widening Programme (ERA Chairs) to establish a Chair in Digital Cultural Heritage (DCH), with work beginning in January 2019 and a budget of 2.5 MEuro. The Chair will strengthen the research excellence of DHRLab (www.digitalheritagelab.eu) and create improved capability to compete successfully for funding within a framework of institutional reform. The Director of DHRLab currently holds the UNESCO Chair in Digital Cultural Heritage.

The Chair will create a holistic framework for DCH by carrying out a wide range of collaborative and multidisciplinary research needed within an overall construct of advanced documentation, maximising the benefits of the application of digital technologies to Cultural Heritage in areas including: data acquisition, data processing, modelling, knowledge management/interpretation, preservation, use and re-use, in order to meet the needs of existing and potential users and thereby to increase the social and economic value of DCH.

Expressions of interest are invited for the following posts, based in Cyprus, which will be recruited on a basis of open and transparent competition. Attractive remuneration packages are available.

ERA CHAIR IN DIGITAL CULTURAL HERITAGE

Responsible to the Director of DHRLab and based in Cyprus, the postholder will hold the position of full Professor and will be open to all EU and non-EU nationals matching the profile of an "Established Researcher (R3)" or "Leading Researcher (R4)" as set out in the European Framework for Research Careers². Responsibilities will include the design and implementation of multi-phase programme of
